Lee Commr. [illegible] for the Sess. Stipulated by the late Swamigals of the Sri Sivanpuri Mutt who held Jaffna Rs 1000 therefor. The Rev Commr, who was consulted in the matter, states that he agrees with the Dy Commr in thinking that in view of the Scarcity of land in the Jaffna Dt for Cultivation and the fact that the Temple is a well-to-do institution, it is unnecessary to sell the tank bed to the Temple at an upset price of Rs 50 per acre. The question for decision is whether the land should be sold by auction or given to the Temple at for an upset price of Rs 50 per acre. It may be stated at once that the allegation that the Temple is well-to-do is unfounded for its income is not enough to meet its normal expenditure and it had a minus balance of Rs 6164-9-4 on 1st Jan 1919. This misstatement has also been obtained from

55 There is no question as to the high value of the land now applied for, judging from the number of applicants and the reports of responsible officers.

56 The system of aiding the resources of this famous temple by giving lands free or at an upset price - the price in the latter case to be paid from funds contributed by devotees - has been in vogue since 1895 and it cannot be said that it has been a success. From the papers in the file, it is seen (1) that the temple gets an annual rental of only 811 pallas of paddy in respect of 167 acres 35 guntas and (2) that an area of 34 acres 36 guntas remains in the hands of sevarthadars (Messrs. C. Srikantesvara Iyer and Sivaramaiya), who merely remit the cost of the sevas to the temple. In the light of this experience, it can safely be asserted that whatever concession is shown by Government in the matter of the grant of the lands, the same does not avail to the temple to the extent intended.

57 So the lands now applied for will be disposed of by auction under the darkhast rules as has been already ordered by the Revenue Commissioner.

58 Systematic efforts should be made to improve the management of the lands of the temple under the directions of the Second Member, the final result of the same being intimated to me within six months

No.1651-2/R.604 dated 8th August 1895.

No.1447-51 dated 17th October 1904.

No.2290-5/M.F230-15-2 dated 27th March 1916.

2. Owing to the unculturable nature of some of the lands and the objection taken by the local people the original grant had to be altered in certain cases and fresh grants made. Out of a total grant of an extent of 211 acres and 35 guntas, the temple is now in actual possession of the following extents:-

	Acres.	Guntas.
Heggadahalli.	55	32
Kallahalli.	7	8
Mallur.	9	36
Bilagili.	12	12
Saragoor.	4	0
Immavu.	5	23
Toremavu.	6	38
Bokkahalli.	0	30

Singanahalli.	65	16
Jainahalli.	14	26
Hullahalli.	20	10
Total.	202	31

The temple has thus to be given an additional extent of 9 acres and 4 guntas.

3. When His Holiness the late Swamigalu of the Sri Sringeri Matt visited Nanjangud, he paid a sum of Rs.1000/- for the purchase of lands at the usual upset price with a view to the income being utilized for Deeparadhane in the temple. The amount was deposited in the Savings Bank but was subsequently withdrawn and paid towards the upset price for the lands in Heggadahalli made over to the temple along with other amounts contributed by certain other devotees. This extent was not however divided up and portion intended for the Deeparadhane Seva set apart, with the result that while the income is credited to the temple, the Deeparadhane expenses are being met from the general funds of the temple.

4. The Sringeri Matt is anxious to have the stipulated services performed out of the special endowment made for the purpose and Mr. Srikanta Sastry, the Matt Agent requests that

a portion of the wet land at Heggadahalli in proportion to the Matt contribution may be divided and delivered to his possession or in the alternative fresh lands available in the Hullahalli village may be granted for the purpose.

5. The temple which is the most important one in the State has been hard hit by the rise in prices and it will be a great relief to its resources if the Deeparadhane expenses are met in whole or part from a fresh source of income. I would, therefore, recommend for the gracious consideration of Government that an additional extent of 20 acres in the abandoned tank bed of the Hullahalli village may be made over to the temple and ear-marked for the Sevas stipulated by the late Swamigalu of the Sri Sringeri Matt. This will be in excess by 10 acres and 36 guntas to the total extent of land granted to the temple, but in view of the importance and great needs of the temple, the Government may be graciously pleased to sanction this additional grant. The upset price of Rs.50/- per acre on this excess will be arranged to be paid from the funds at the credit of the temple and the extent may be made over to the local agent of the Matt who may be depended upon to bring the land under cultivation and furnish regular accounts of income and expenditure.

6. I solicit early orders of Government in the matter as I am given to understand that the tank bed has been notified for sale. A letter received from Diwan Bahadur Mr. C. Srikantesvara Aiyar on the subject is also submitted.

The Secretary to the Government of H H the Maharaja of Mysore, Mysore Dept. Bangalore

Sir,

I have the honour to invite your kind attention to my letter No. 153 of 25th February 1917 to the Mysore Superintendent in Mysore, requesting the delivery of 20 acres of wet land in Survey No. 35 of Hulkalli village of Hulkalli Hobli of Nanjangud Taluk at an upset price of Rs 50/- per acre for the amount of Rs 1000/- deposited in the Nanjangud Taluk Treasury in 1891 by His Highness the late Yuvarajaru in endowing the Sri Srikanteswara Swami temple for daily Deeparadhana Seva during nights and to state that no reply has till now been vouchsafed in the matter

as I understand that the Revenue Commissioner has in his order No. 588 dated 14th December 1917 directed the Sale to be made on fair cultivating price of the abandoned tank bed forming the Survey No.

the said Hulhalli village. I think there is every facility for Government granting the above request of His Holiness. It may not be out of place to add that the interest accruing on the deposit sum from date of investment in 1891, even calculating at the rate of 4% per annum comes up to over Rs 6000/- so that Government will not, it is hoped, deem the claim of His Holiness as unreasonable

I request under the circumstances you will be so good as to move the Government in the matter and obtain their very early order transferring the land held in question to the Khalé of the Mutt, whereon arrangements will be made for the conduct of the Seva in the Nanjangud temple as above referred to.

SIR,

With reference to your letter Nos.611/Muz.79-19-2 dated 20th August 1919 and 799/Muz.79-19-4 dated 1st September 1919 enquiring whether 20 acres of land in the Hulhalli Tank-bed in the Nanjangud Taluk can be granted to the Sri Srikanteswara-swami temple at Nanjangud at an up-set price of Rs.50/- per acre, I have the honour to state that the tank-bed referred to which is an abandoned one in the Hulhalli village, bearing S.No.35 with an extent of 20 acres 36 guntas, being a valuable land, my predecessor in office ordered on 10th December 1917 that the bed should be divided into small survey numbers and disposed of by auction under the darakhast rules. This office file No.588/Gl. 17-18 dated 10th December 1917 bearing on the subject is herein enclosed for reference and kind return.

2. The Deputy Commissioner of Mysore who was consulted in the matter of granting 20 acres out of the bed to the temple for an up-set price, is not in favour of disposing of the bed for up-set price, and requests that, in view of scarcity of land in the District for cultivation and the fact that the temple is a well-to-do institution, the original decision of this office may

be

be adhered to.

3. Final orders on the question having been passed by my predecessor in office, I beg to submit the case for the orders of Government; and to state that in my opinion there do not appear to be sufficient grounds for interfering with the concurrent views of the Deputy Commissioner and Revenue Commissioner.

4. The vernacular records relating to the subject are also forwarded herewith for reference and obliging return.

MYSORE,

6th January 1920.

Dear Jagaraua Iyer

Please see my letter to your predecessor and reply thereto anent certain sum of money, in Government Deposit, by the late Sri Jagadguru of Sringeri, for endowing lands for daily services in Sri Srikantesvara Swami Temple at Nanjangud.

I understand that the tank bed in Hulhalli, referred to in the correspondence noted above, was advertized for auction to private parties. It being in the midst of lands already endowed to the Temple, at my request the sale has been adjourned to the 16th February 1920.

I am not sure if the Government is aware of the sale, as it is likely the proceedings may have been in the ordinary course of business in the Revenue Department.

The long tenor of correspondence about the large requirements of this the foremost shrine, will show the imperative necessity to welcome all such endowments, so thoughtfully inaugurated by Government as much to increase the resources of the Temple as to proportionately ease the pressure which otherwise, with the growth of high prices, will be impossible for the State alone to bear.

I therefore beg of you to kindly submit the references to the Dewan for the consideration of the Governmer and directing the extent of this land being endowed to the Temple as the standing orders on the subject permits of.

Orders, may also be kindly passed, if need be, to defer the auction, pending further orders.

Yours Sincerely

C. Srikantadatta Narasimharaja
